Danny's about to have himself one real long day. In the same way, Aleska and Megan are about to have Danny's real long cock. This is one instance where you could say there's enough cock to go around – twice. After seeing the photos and the video, we have to wonder to ourselves, how does he keep from cumming

*It gets cold

For five years I've been happily married to Matthew, my current husband, and for the first couple of years of marriage we enjoyed some fairly conventional sex. During the last couple years we talked more and more freely about it and realized that we both had fantasies that we were not sharing with the other. We made a pact that we would make an effort to help each other fulfill some of them. We'd start out safe at first, and if that went well, we'd ramp up the excitement level and make our love lives more interesting and more fulfilling.

We decided to dine at a nice Peruvian restaurant a few night ago. Matthew asked, but then demanded, that I put on a short, tight skirt, boots and a sweater. He told me not to wear anything else underneath. It gets cold in Chicago in November, but the air was refreshing on my bare nipples that poked through the holes in the loose knit sweater. We warmed up at

the restaurant and enjoyed our dinner, but about half way through our meal I saw his face change. He

looked at me like he wanted me, no needed me. It's the look that makes my stomach tighten up with anticipation.

He told me to flash him right there at the table. We were in the back of a restaurant that wasn't that big. The bar area was opposite us and as I lifted my sweater, the bartender definitely saw me do it,

slut, but looking into his eyes, I didn't care. His look told me that I was his slut, and he wanted people to know it. He told me to do it again, but he also wanted me to pinch my nipples so they became harder. As I found them through the holes in the sweater, I noticed our waitress saw me doing it as she was bringing our check. She was a cute brunette

with big brown eyes and a big round ass, just like mine. Matthew likes big round asses and said that was one reason he married me. I found myself attracted to her and stroked my nipples while I held her gaze. If she didn't look scared, I was going to invite her home with us. When she handed my husband the bill, avoiding looking directly at me.

Clearly she was uncomfortable, and probably not open to the idea. My husband paid for the meal, and ordered me to get up. He was clearly ready to go. When we stood up, I went to adjust my skirt, and he ordered me to stop. We walked out of the restaurant with my skirt riding up high enough to see the bottom of my butt cheeks — and my nipples were still pushing through my sweater.

I love it when he takes control. I never know what he's going to do next, nor tell me what to do next and the anticipation makes me so wet. As we were walking to the car, I had millions of possibilities running through my mind but was not prepared for his decision. We were parked in a parking garage on the first level. From the car you could see the entrance to

the parking garage, office building windows and the street. He looked at me, bit his lip, and tore off my skirt. He pushed me down to my knees and forced me to suck his already hard cock. I have come to love sucking on my husband's cock. I sense his body react, feeling his cock push harder and harder against the back of my throat.

He loves to make me choke on it and he did it then, and for a minute I was afraid my delicious dinner would come back up, but it didn't. Suddenly he picked me up and bent me over with my hands on the car. When he did, I had no choice but I wouldn't have had it any other way. I love it when he fucks me from the back, because I can feel his cock all the way up to my stomach.

Now, my naked ass was in the air, and he was pounding into me. We heard a loud engine noise approaching but neither of us wanted to stop. In fact, the idea of someone seeing us with me bent over by my gorgeous husband, turned me on even more. I started to moan. He was stroking it so well. I climaxed all over him right as the car went by. Matthew started to stroke even harder, pinching my

To The Editor,

That is one fine booty on Winnie and she sure knows it. I'd tap that anytime. And she's got great boobs to go along with it. What's cool though is how she man-handled that big cock in her layout. I bet she's one fine fuck and I wouldn't mind dipping my rod into her oil can. I know you're probably not going to tell me, but how can I meet her? I've always had a fascination with big-breasted, big bootied women, but most are not that attractive to me since I'm only five foot seven.

But Winnie, she's the type of babe I dream about, and jack-off to. Tall, built Nordic and takes it in her fanny. Now, I'm not looking to get with her, just a little face time so I can tell her how attractive I think she is, and let her see that I'm not just after her body, although I'd do her if she decided to get with me. My cock is not a big as the guy in the pictures, and I've only had one complaint (it was cold outside), but I know I can hold my own. I once had a hard on for more than three hours, and that without the help of a pill. Anyway, let me know if you can send this message to her or maybe send me her phone number or email?

— Murry, Columbus, O.

Suddenly, two well-dressed people walked into the elevator while I was rubbing myself, but I didn't stop. He didn't even have to tell me to keep going, and they surely didn't mind watching. They even asked if they could take a picture and Matthew said 'Yes.'

nipples. This went on for a few more minutes, and as I felt another orgasm building within me, I couldn't hold it off anymore.

I begged him to let me cum. As usual, we timed it perfectly as I felt my world explode in waves of pleasure. I felt his hot cum shoot into me, relieving the tension even further. My orgasm lasted for a couple minutes. I was so spent by the end of it that he actually had to pick me up and put me in the car seat.

When we got back to where we were staying, he made me strip in the elevator and finger myself. By this time, my clit was so hard and swollen from cumming twice, it almost hurt to play with it – but that kind of pain makes me so wet to the point where it runs down my leg in long thin streams. The whole time he's pulled his

cock out and is rubbing it with one hand and taking a video of me with his cell phone and I'm rubbing myself. He said he was ready to cum and I quickly fell to my knees and took it all in my mouth and swallowed. I stood back up and continued flicking my clit as I licked the rest of his cum.

Suddenly, two well-dressed people walked into the elevator while I was rubbing myself, but I didn't stop. He didn't even have to tell me to keep going, and they surely didn't mind watching. They even asked if they could take a picture and Matthew said 'Yes.' When we reached our floor, I jumped out of the elevator and pulled my skirt all the way off and ran down the hallway to our room with my ass bouncing in the air. He was right behind me!

His command...

My neighbor, Lindsey, is like that good girl-next-door type we all know: Shy, nice, cute, with an unshaved pussy. But what puts her into pornstar category is her insanely hot body – and she has one of the greatest sets of all-natural boobs I've ever seen on a woman.

Oh, and she's all up for anal antics of all kinds. But Lindsey is also the wifey-type and I'm not really sure why she wants to look, act and dress like a pornstar, other than perhaps to get it out of her system. From what I know, she is in an open relationship with her boyfriend, after all.

Not complaining, of course, Lindsey's turned out to be one of my favorite trysts in recent memory. Lindsey's got that fantastic body, loves intense sex, and is quite enthusiastic for butt love. I can only hope that she and her man keep their relationship open.

I've always wanted to fuck my husband's boss. A little for the thrill of it; a little to get back at my husband for cheating on me; and a little because as I get older, I feel my sex drive increasing. Strangely, my husband agreed and agreed to set it up, but only

Anna

if he could photograph it, and then fuck me afterwards. He said he'd probably be pretty excited by then. It took about a month to happen but when it did, it was great. It hasn't hurt our relationship and his boss gave him a big raise last week.

just another day at The Palace

Linnea was a beautiful blonde woman with long bangs that came just above her eyebrows. Just by looking at her, you could tell she was of Scandinavian background. She needed no makeup and her lips were full and quick to smile. A natural beauty with an attitude impossible to dislike. She silently watched everything that happened in The Palace. That's what we've nicknamed my luxury 40 foot motor home. It easily sleeps six in two bedrooms and a foldout, but I've had as many as ten bunking over-night. There have been a bunch of us travelling around the southwest for the last couple months. We've stopped here and there, picked up people, dropped them off, and continued on our odyssey.

I was driving north along Interstate 17 from Phoenix headed to Sedona. Riding shotgun was Iona, my long-time girlfriend and partner on our long adventures. Seated in the center of the large RV were our friends Clancy and Bryanna, who we've known since college. This was their second trip with us. And Linnea, a Swedish student attending Arizona State University in Tempe and headed to Flagstaff to visit her sister. We met her at a spring training baseball game and started talking down the right field line. She was a little shy and was attending her first American baseball game. As she and Iona

talked, we learned of her family and how she was trying to find a way to Flagstaff. We told her we were headed to Sedona and she was welcome to come along and we'd drive her the extra thirty miles to her sister.

She agreed and we picked her up about 5 pm from her dorm and hit the road headed north. Linnea was amazed by The Palace. She had never been in a motorhome before and after dropping her backpack, she wanted to see all of it. When Iona and Bryanna finished the tour with her she said this was bigger than her house in Sweden. We decided to pull over about halfway at Camp Verde and have some dinner. I pulled over and Clancy set up the outside with the drop down picnic table, got the chairs, and rolled out the canopy.

All five of us enjoyed the meal and wine and quickly cleaned up and

went inside where we were only too happy to see Iona produce some champagne afterwards. She looked so good bending over in front of me filling those glasses. Legs straight, ass high, and it wasn't until she looked at me that I knew she did it on purpose. During dinner and drinks, we casually mentioned that we were swingers and often had uninhibited sex all over the motorhome. Linnea did not seem too surprised because she chimed in that sex was pretty free in Sweden and she had several sex partners.

We told her that it was our habit to fool around after dinner and drinks, and if she did not want to watch or be involved, she was welcome to retire to one of the bedrooms until we hit the road again. Linnea put the glasses into the little sink and sat at the end of the sofa as Iona and Bryanna treated us to some of the best sex we had in a while. There were a couple

of big, hard cocks for the women and wet, willing pussies for the men. It was as it should be, something for everyone, except for Linnea, who watched us from a few feet away. This was our way of life, and we would never force it upon anyone, but if one wanted to join....

Sitting on the opposite sofa, her back to his chest, Bryanna's legs were spread across Clancy's thighs. One arm around the back of his neck, her other hand pressing his hardened cock between her labia as she slid up and down along his length, polishing his rod. I, for one, love to watch a woman fuck. Especially when they're into it, as Bryanna was now. I'm sitting in the captain's chair at the front of The Palace with Iona on her knees in front of me. It seemed like she was trying to suck an extra inch out of my already rock hard cock as I gazed at Linnea. I saw her eyes roaming from Clancy and Bryanna on the sofa to us at the front, taking it all in.

I wasn't sure if she was accepting of it until I saw her hands slid up her body and began caressing her breasts. I watched her as Iona's mouth released my cock and while still stroking me with her hand, straddled me with her legs, rubbed the head of my cock against her wet pussy and eased herself down on it. I always enjoyed it when she sucked me to rock hard then fucked me for her pleasure. Iona braced her arms on my knees as she slid up and down on me, her warm, wet pussy coating my cock with its thick juices. I'm leaned back in the chair enjoying her ride and her little moans each time she bottomed out on my cock.

Over on the sofa, Bryanna's hips were grinding on his big rod. He was working it with one of her boobs in each hand. I glanced back at Linnea and

while looking straight into my eyes, her hands slowly moved up to the straps of her dress and pulled them off her shoulders. She stood and the dress fell to the floor. She was naked underneath. No bra, no panties, only a small gold necklace and sandals remained. We all knew Linnea was stunning, no tan lines, full, firm twenty-year-old breasts, long legs and fine, wispy hair there below.

Over Iona's shoulder, I smiled at her in return. Iona turned to follow my

gaze. When she saw a naked Linnea standing there, she motioned her over to our side, still moving easily with my cock deep inside her. Iona whispered to me that the girls had talked this over before, waiting on Linnea to reach a decision on joining or not. Iona was good with that stuff, having convinced many a nubile lassie into The Palace playground.

Linnea passed Clancy and Bryanna still fucking on the sofa. Bryanna was riding him reverse cowgirl and Linnea stopped to give her a deep kiss and fondle her breasts. Then she came over to us and got on her knees in front of us. Iona reached out and ran a hand through her hair. She

stopped grinding and raised herself off me, only to sink to her knees between my legs and stroke me with her hand while she looked at Linnea. She slid her tongue up along my cock-shaft starting down low between my balls and ending at the tip. After tracing the rim with her tongue, but then she stopped and offered my cock towards Linnea as an invitation. She reached out and touched the tip with her fingertip. Then, with no hesitation, she turned to the prize right in front of her.

A few feet away, Bryanna stopped grinding on Clancy to watch. He grabbed a pillow and put it under his head so he could get a better view. Linnea started by lightly licking under the head before moving down the shaft. After a couple long hard strokes with her hand, Iona took over for her turn and then relinquished my meat to Linnea again. To you guys who have received a double bj, then you know how interesting it is to feel the techniques of two different women within seconds of each other. It's not the same as trying to remember the differences from a day away.

And the visual of two sensual faces adoring my cock at eye level is sub-

lime. It's hot enough to have one set of eyes looking up at you with your hard cock in their mouth, but when there are two, it's a fantasy fulfilled. And there are times when I think my cock can't get bigger or harder, but today it happened when Linnea was blowing me and Iona started sucking on my balls. After a few minutes, Linnea stood up. I admired her body, and as she turned, I caressed her butt as she lifted her long, tan leg over mine and straddled me.

went over to the sofa, pulling Iona over with me. I laid on my side and motioned her to lay in front of me with her butt against me. She positioned herself and lifted her leg so she could stroke my cock against her pussy lips. I entered her from behind and started those motions that remind us that we are still animals.

Linnea took the few steps over to Clancy and Bryanna. She held out her hand and pulled her off of

got up off the sofa and went across to whisper in Linnea's ear. She then pulls her off of Bryanna, and takes her place. Linnea comes over to me and ask her to lay on her back, and spread her legs wide. With one hand, she guided my cock into the opening between her pussy lips. I eased into her yet-to-be-fucked hole and tried to make it last as long as I could.

There was no hurry as I spread her legs and finally buried my cock into her tight young pussy. Her pussy lips wrapped tight around me and I heard short, quiet squeals as I pushed in deeper. I was giving her some long, hard strokes when she stiffened and began thrashing. I pulled her hips tight and buried myself in her, savoring all those tight contractions inside as she climaxed all over me.

When she settled down, I pulled my cock out and rolled us both so I was now on my back. She slid down my body and in an instant was stroking me with one hand and caressing my balls with the other. Soon I felt hot lips around my cock. She slid her lips and tongue along my shaft and played with my balls. A few deft strokes and deep-throats and I unloaded inside her mouth. Linnea didn't miss a drop and swallowed every juicy one. I looked across the way just in time to see and hear Clancy cumming as Iona and Bryanna finished him, and each other off with their mouth and hands.

Since we were in no rush to get to Sedona or Flagstaff, we spent the night in the Palace and ended up switching on each other in the bedrooms like and old Benny Hill episode. Everyone got some and some got a little bit of everyone. In the morning we dropped Linnea off at her sister's and she asked for a ride back to Tempe in a few days. "Sure!" we said.

Almost like she was sizing it up, Linnea took her time settling down on my rigid pole, adjusting herself to it. I leaned back in the chair and concentrated on the motions of her hips as she worked herself up and down and around. Down below, I could feel Iona's tongue on my cock when Linnea raised herself and I imagined she was licking Linnea's pussy at the same time. Linnea slowly settled into a rhythm, tilting her hips so my cock rubbed against her sugar walls.

I was feeling an orgasm building but didn't want to finish here and now. I eased Linnea off me. I got up and

Clancy, motioning him to move to the end of the sofa. Bryanna lay back and Linnea gets on top of her in a girl-on-girl sixty-nine. Clancy held her hair up so he could watch the ladies go at it. His hand guided Linnea's bottom end to Bryanna's waiting tongue while the other spread her legs wider open for the attentions of a willing Linnea. He found Linnea's hand under Bryanna and pulled it over to stroke his cock, which she does willingly. Iona and I stop for a minute to watch the goings on across the way.

But now, before I cum in Iona, I want to fuck Linnea and told Iona. She

Sometimes a girl just has to satisfy herself... and Tori is one of those.

She loves her body and to give herself pleasure when her man's away. She starts with her hand caressing her body. Then she starts to use her fingers, but this will not be enough.

Tori

She'll take out her best toy for and at first she does it slow, but soon it needs to be faster harder. She likes getting fucked from behind the best. A few more position changes and she's a very happy lady.

I don't know how many men I've fucked through the years, but I know how many women, six - exactly. So while I've enjoyed women, men just do it for me. I can't wait to get my mouth around a nice fat cock and suck it until his juices all cum out.

Mary

Ever since I didn't have to worry about getting pregnant, my sexuality has exploded. My sexual libido has increased tenfold, and strangely enough, men have been easier to meet and eventually take to bed. I'm also a lot more free since then.
